
Taipei Transit Guide

An English-language reference for public transport in Taipei — metro lines, rolling stock, depots and bus routes.

Train

Taipei Metro, Taoyuan Airport MRT, New Taipei Metro and regional rail — lines, the trains that run on them, and the depots that maintain them.

Lines

1 page

Route overviews, station lists, operating hours and service patterns.

Rolling Stock

2 pages

Train fleets — builders, technical specifications, formations and where each type runs.

Depots

2 pages

Stabling and maintenance facilities — location, capacity, and the lines and fleets they serve.

Bus

Taipei City and New Taipei bus network — routes, operators and garages. Not yet written.

Routes

0 pages

Individual bus routes — operator, corridor, stop list and frequency. Planned for v2.

Operators

0 pages

Bus companies working the Taipei network, their fleets and depots. Planned for v2.

Station names, codes and sequence from TDX Transport Data eXchange, Ministry of Transportation and Communications, operator TRTC. Government open data. Retrieved 2026-08-05; source last updated 2020-01-31. Provenance.
