Bus routes

Route groups are the browse key. The brown-line feeder group is the current pilot.

Brown-line feeder routes

20 routes listed under the official MRT brown-line feeder class.

Other route groups remain outside this shape-test pilot.

Pilot routes

20 routes 

An independent, non-commercial reference site. Not affiliated with Taipei Rapid Transit Corporation, Taipei City Government, or any bus operator. Line colours are the official values published by each operator through Taiwan MOTC's open data platform. [About this site.](#)

Station names, codes and sequence from TDX Transport Data eXchange, Ministry of Transportation and Communications, operators TRTC, NTMC, and TYMC. Government open data. Retrieved 2026-08-10; source last updated 2020-01-31. The 12 Sanying station records absent from TDX are sourced directly to New Taipei Metro and government publications on their pages. Provenance.
