Taichung

A single driverless metro line, a large bus network run by fourteen named operators on the government's own portal, and six colour-coded trunk routes launched in stages from 2016.

A Taichung Metro Green Line train at Beitun Main Station.

Taichung Metro (TMRT)

The Green Line — Beitun, the city centre and the HSR station.

Taichung regional buses

Route-and-stop snapshot, 392 city-bus entries and the 小黃公車 reservation network.

Taichung Airport

A joint military-civil airfield per CAA's own list — covered together with Taoyuan and Songshan.

YouBike — Taichung

Station snapshot by district.

Operator service ratings

Taichung's scheme, running since at least 2015, dated 113年度 grade tables.

An independent, non-commercial reference site. Not affiliated with any transit operator or government body in Taiwan. Line colours are the official values published by each operator through Taiwan MOTC's open data platform. [About this site](#).

Station names, codes and sequence from TDX Transport Data eXchange, Ministry of Transportation and Communications, operators TRTC, NTMC, TYMC, and TMRT. Government open data. Retrieved 2026-08-24; source last updated 2016-11-23. The 12 Sanying station records absent from TDX are sourced directly to New Taipei Metro and government publications on their pages. Provenance.
